## **I. College Profile**

Yunnan Forestry Technological College (YFTC) is located in Kunming—the capital of Yunnan Province, P.R.China. Kunming is the national famous historical and cultural city, the important tourism and trade city in China. It is the gateway of China open to Southeast Asia and South Asia, the only ASEAN oriented Chinese metropolis. With pleasant climate, neither hot in summer nor cold in winter, which is rare globally, Kunming is renowned as Spring City.

It is a national public full-time comprehensive general higher vocational and technological college, passed the “Higher Vocational Talent Cultivation Level Evaluation of Ministry of Education” in 2008, and the “Characteristic Evaluation of Higher Vocational

Colleges of Yunnan Province” in 2015. Founded in 1955, it is located at the national scenic spot of Golden Temple, with campus area 728.6 mu (mu: a unit of area=0.0667 hectares). It has 33 majors, enrolling students from 20 provinces, cities and regions in China, present staff 580, teaching and managing more than 10,000 students. The employment rates are all above 96% from 2007 to 2016.

Yunnan is the radiation center of China facing South Asia and Southeast Asia. To help the neighboring countries cultivate skilled talents, Yunnan Forestry Technological College sets up "ASEAN Student Scholarship" to support ASEAN students to study in our school.
